What kind of drinks do you imagine when the flavor is depicted as orange peel. tapioca, peanut and sweet potato? Shochu made of sweet potatoes is known to be highly fragrant and bursting with flavors without being too overpowering or dry. its alcohol content is also on the lighter side at 20 percent, and it is best enjoyed on the rocks with a meal. Among many authentic shochu, Kappa no Sasoi mızu is far superior when paired with sushi and tempura.

obursey 11 is the day that Japan calabratas Kankoku the Nation Unlike the U.S., Japan did not win independence from enother notion, and the origin of the country is prokyogously known. There are, however, two annuart broke that describe how the structure of Japan was established under the reign of the emparat.

One of the history books is the Koylo, which consists of three volumes. Heads no Are dictated the legends and maths of deand edited it. It includes numerous incidents handed down genenition to generation until the reign of Empress Suito (593-628 A.D.). Completed in 712 A.D. the Knillius belowed to be the oldest history of Japan. The Kopki discribes transgrand branami, the clottes who bons many other duties of Japan.

The second oldest historical book is the Mhon Shole It was comvolumes. The Milian Shaki also includes legends and myths, but unlike the Kooks at a written in chronological order it is believed that the Mison Shok was completed in 720 & D.

According to the Kovio and the Nihon Shois, the first emperor of 660 B C. This may be more much than foct, but nevertheless this day is important. The Main government enected the Constitutors on February 11, 1889. The day was also colled "Kinery-autica" ("The Observance of Era Change") and declared a national holiday. After World Wer II. Japan was forced to abolish this holiday. but in 1966 the recomment of Franks Sato, Nobel Laurente, m. established February 11 as a national holiday for recolling the spect of the nation's founding and promoting love of Japan
